ABSTRACT

Lists Pennsylvania school districts that are currently offering minicourses. The courses are presented alphabetically by subject area, with school district information (names, addresses, and telephone numbers) being provided according to the number of weeks that each course is offered (4, 9, 12, or 18 weeks.) School districts listed have agreed to share their minicourse materials with other interested districts. (Author/MLF)

PREFACE

This mini course directory contains a listing of Pennsylvania school districts that are currently offering mini courses. The courses are indexed by subject area and the number of weeks for the course.

School districts listed in this directory have agreed to share their mini course materials with other interested districts. Hopefully, as districts initiate mini course programs, they would notify the Educational Development Center at Clarion State College so that periodically this directory might be updated and serve as a resource for other districts interested in mini courses.
